Features

Lumin

1. **Light Therapy**

Lumin's blue LED technology help people relax their bad emotion due to heavy life, study, and work pressure.

2. **Biophilic Design**

Lumin's all design inspiring comes from the real nature, blue sky, white cloud, sunshine, forest, flowers, trees, sea, etc. by real light design.

3. **Easy to Install**

It's mounted on the surface wall, ceiling system, also can be suspended through different mounting kit accessories.

4. **Reliable**

It's produced in Lumin's ISO9001 standard workshop in China, the products are certified by CE, RoHs, UL.

5. **Leading Industry Design**

The design is different from the regular one with frame, the photos look much better.

6. **Custom Design**

Lumin accept customers' design on size, photos, parameters of their own.
