To Whom It May Concern:

Dear Ladies and Gentlemen,

Our company had imported many Power distribution Cubicles of KYN28-12A switchgear cubicles, since 2007, include Incoming cubicle, outgoing cubicle, busbar VT cubicle, bus section cubicle, local transformer cubicle etc. the cubicles were supplied by (Zhejiang Changkai Electrical Co., Ltd.) The quality is good, we also satisfy with its service. So far we are still keep importing from this company in (Dongfang Rd. E.
