

Mini Aqua Wash is a waterproof battery light that combines high performance and adaptability, designed for outdoor and complex environments. Equipped with 6 sets of 18W LED chips (including RGBWYP six-colour channels), it supports 12 kinds of mixed light effects and dynamic strobe modes, which can meet the needs of long-distance projection and colouring. Suitable for outdoor open-air scenes.

Key features:

- 12*18W RGBWYP
- 6 hours of fast charging for 4.5 hours of continuous output at full power
- Five integrated control modes: Auto, Master/Slave Sync, Wireless DMX, DMX512 and Sound Activation. 32 types of static colour mixing and 9 types of dynamic effects
- Supports wireless 2.4G DMX/WIFI, wired DMX512, infrared remote control, voice activated and master/slave synchronisation.
- IP65 waterproof and dustproof

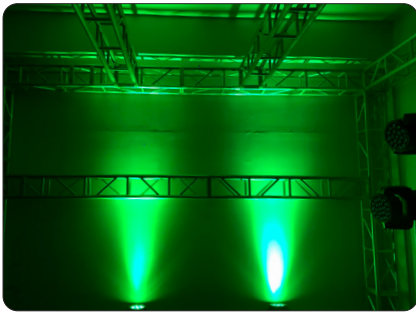

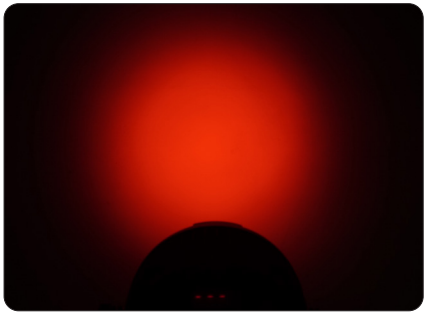

Application:

- Outdoor Stage
- Performances
- Outdoor Music Festivals
- Wedding Celebrations
- Party Events

Mini Aqua Wash

Waterproof Battery Light

Technical Data

Power supply:	AC100-240V, 50/60Hz
Light source:	12*18W
power:	200W
Battery:	4.5 hours at full power
colour:	RGBWYP
Power connection:	Power in & out

Signal connection:	3-pin XLR in & out
Control channels:	6/8/10
Control mode:	Infrared remote sensing, voice control, master-slave, wireless WIFI, DMX512, wireless DMX
Housing:	black
N.W.:	4.65kg
Environment:	IP20
