

BLMO350BS

Outdoor 350 Beam Spot Wash 3IN1 Hybrid LED Module Moving Head Light

Light Source: **300W High-Brightness LED**

Zoom Range: **3°–32°**

Dynamic Effects: **Animation Wheel + 3 Prism Effects**

IP Rating: **IP66 Waterproof**

Main Features

Powerful 300W LED System

300W high-brightness LED light source

3°–32° flexible zoom range

RGB LED ring for colorful visual effects

Rich Gobo and Dynamic Effects

9 colors + white light for rich color effects

6 fixed gobos + white + fire effect

7 rotating gobos + white with bidirectional rotation

Animation wheel and 3 rotating prism effects

Professional Control and Outdoor Performance

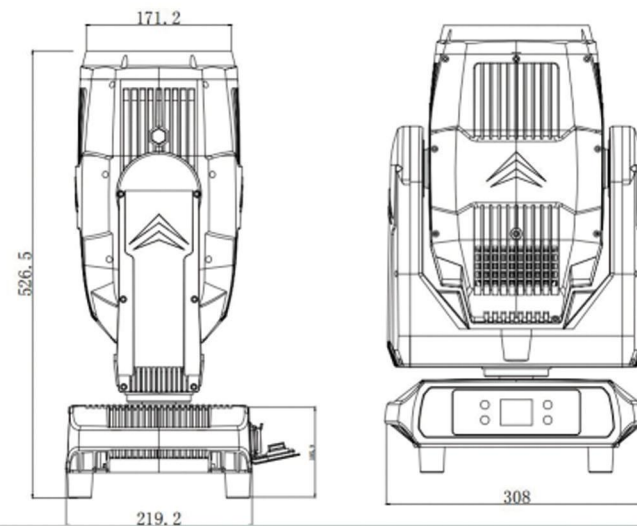

Control modes: DMX512, Auto, Master-Slave

31 DMX channels for flexible lighting control

IP66 waterproof magnesium alloy housing

Temperature control and overheat protection

Technical Specifications

Light Source

- Light Source: 300W high-brightness LED
- RGB LED ring for additional colorful effects

Optical System

- Electronic zoom: 3°–32°
- Color wheel: 9 colors + white
- Fixed gobo wheel: 6 gobos + white + fire effect
- Rotating gobo wheel: 7 gobos + white, bidirectional rotation
- Animation effect wheel
- 3 rotating prism effects with bidirectional rotation

Control

- Control Modes: DMX512, Auto, Master-Slave
- Channel Mode: 31CH
- Pan: 540°
- Tilt: 270°

Electrical and Connectors

- Input Voltage: AC100–240V, 50–60Hz
- Power Consumption: 410W
- Signal Connector: XLR 3-pin input/output
- Power Connector: PowerCON input/output

Physical Information

- Product Dimensions: L304 × W218 × H540 mm
- Net Weight: 14.9 kg with folding clamps
- Magnesium alloy housing

Protection and Cooling

- IP66 waterproof protection
- Overheat protection for stable operation
