DINSTORAGE

CLEAN. ORGANIZED. FUSE STORAGE.

Precision-engineered **DINSTORAGE** fuse and accessory storage solutions provide everything you need to organize your electrical rooms, equipment racks, and electrical panels. Finally, all your Bussmann fuses can be stored and organized securely providing technicians quick access at the point of use.

FITS IEC/EN 60715 DIN RAILS

All **DINSTORAGE** rail accessories are designed to fit standard 35mm DIN rails. One snap is all that's needed to organize and store a wide range of fuses, electrical accessories, consumables, and tools.

FLEXIBLE

With a wide range of capacities, sizes, and styles, **DINSTORAGE** has a solution for your every application. With its quick-detach DIN rail mount, you can quickly and easily rearrange, relocate, and reconfigure units to accomodate future additions. Don't have a DIN Rail? The **DINSTORAGE** line has a universal adhesive surface mount option.

RUGGED

Our housings are injection molded using UL temperature rated, impact-resistant ABS materials to stand up to the harsh environments and abuse that comes from commercial and industrial applications.

AFFORDABLE

The patent-pending **DINSTORAGE** family of products is the most capable and lowest cost DIN rail-compatible storage solution available.

PRODUCT FEATURES

- Conveniently store and protect spare fuses (Bussmann) on the control panel DIN rail, where they belong. No more fuses in the bottom of the panel or taped in bags.
- One-click mounting means no screws, bolts, or complicated installation techniques. DINSTORAGE installs in seconds onto your existing DIN rail.
- Drawer units for other large fuses, accessories, consumables, and small tools expand your options

COMPATIBLE WITH:

EATON
BUSSMANN SERIES

Say goodbye to unorganized control panels.

After designing and building industrial and commercial control panels for over 20 years, we were always looking for a better way to store our panel accessories and fuses. Fuses and accessories were either missing or in the bottom of the panel. **DINSTORAGE** is our solution for elegant and organized accessory storage.
