Reason For Change	Tooling / Equipment Transfer	
Change Description	This is to inform you about a transfer project of molding dies for 5019514500 (0.5 FPC HsgAssyE/O Ostr 45Ckt EmbsTpPkg). The molding dies are Molex's own assets, located in Molex's vendor ESTOH. As ESTOH'S molding machine is recently getting old to keep quality, Molex has received back and set molding dies (2 dies for housing, 2 dies for actuator) in Molex Shizuoka plant to keep production. A final assembly site will not change as Shizuoka plant. A mass production date is scheduled to start on 20th November, 2014.
