**PCN02-2021 - New Invar source for 4LS sensors**

Dear Customer,

To ensure the continuous improvement and to reinforce the 4LS supply chain, please be informed that ams AG, in partnership with assembly sub-contractor Focuz Manufacturing Co, LTD, will introduce a new source for the Invar. In addition, the proposed change will also switch from Invar 42 material to Invar 36.

ams AG plans to implement the new source in Q3/2021.

ams AG have assured that the new source will not change the current specifications for the final product.

**Affected part number list**

| Material Part Number | Material Description | Type |
|----------------------|----------------------|------|
| 508030006            | 4LS15k-5CIA FT SE    | ASSP |
| 507830006            | 4LS15k-5MIA FT SE    | ASSP |
| 508060005            | 4LS12k5-5CIA FT SE   | ASSP |
| 508080005            | 4LS10k-5CIA FT SE    | ASSP |
| 508070005            | 4LS10k-5MIA FT SE    | ASSP |

Please be advised that unless ams receive your written refusal concerning this change notification within 30 days, the change notification shall be deemed accepted.

If you do have further questions, please do not hesitate to contact ams team at any time.
