### Identification

|                          |                          |
|--------------------------|--------------------------|
| Category                 | Hoods/Housings           |
| Series of hoods/housings | Han® High Temp           |
| Type of hood/housing     | Bulkhead mounted housing |
| Type                     | Low construction         |

### Version

|              |                      |
|--------------|----------------------|
| Size         | 6 B                  |
| Locking type | Single locking lever |

### Technical characteristics

|                                        |                                                |
|----------------------------------------|------------------------------------------------|
| Limiting temperature                   | -40 ... +200 °C With Han® High Temp components |
| Degree of protection acc. to IEC 60529 | IP65                                           |

### Material properties

|                         |                    |
|-------------------------|--------------------|
| Material (hood/housing) | Aluminium die-cast |
| Surface (hood/housing)  | Uncoated           |
| Colour (hood/housing)   | Unpainted          |
| Material (seal)         | FPM                |
| Colour (seal)           | Red                |
| Material (locking)      | Stainless steel    |
| RoHS                    | compliant          |
| ELV status              | compliant          |
| China RoHS              | e                  |
