

## MINI TRUNK LID MOUNTS

### FEATURES AND BENEFITS

- Stainless steel brackets and hardware are the ultimate in corrosion resistance
- Elegant design enables proper fit on high tolerance trunk lid seams
- Non staining rubber cushion minimizes scratches and stains
- Gold plated contact

### MINI-TRUNK LID MOUNTS \*

| MODEL                                            | CONNECTOR TYPE             |
|--------------------------------------------------|----------------------------|
| Models with 17' of RG58A/U Stranded Center Cable |                            |
| TM8                                              | No connector               |
| TMB8                                             | No connector               |
| TM8B                                             | BNC crimp                  |
| TM8M                                             | Minu UHF crimp             |
| TM8N                                             | N crimp                    |
| TM8NS                                            | N solder                   |
| TM8P                                             | UHF (PL259) crimp          |
| TM8PS                                            | UHF (PL259) solder         |
| TM8PST                                           | UHF (PL259) Teflon® solder |
| TM8T                                             | TNC connector              |

| MODEL                                                 | CONNECTOR TYPE             |
|-------------------------------------------------------|----------------------------|
| Models with 17' of RG58U Solid Center Conductor Cable |                            |
| TM8U                                                  | No connector               |
| TMB8U                                                 | No connector               |
| TM8UB                                                 | BNC crimp                  |
| TM8UM                                                 | Minu UHF crimp             |
| TM8UN                                                 | N crimp                    |
| TM8UNS                                                | N solder                   |
| TM8UP                                                 | UHF (PL259) crimp          |
| TM8UPST                                               | UHF (PL259) Teflon® solder |
| TM8UT                                                 | TNC crimp                  |

\* All connectors are shipped loose. Choose the "I" option for installed connectors.
