Center Plate Insert, Decora Style - Vertical, Blank

MODEL NUMBER: **N042D-100V-WH**

Clean, simple blank insert mounts within Decora-style faceplate for keeping unused in-wall ports covered and protected.

Highlights

- Conceals any open ports to prevent damage, tampering or unauthorized connections
- High-impact polycarbonate construction designed to last long in your décor
- Hardware included for mounting flush with compatible Decora-style wall plate

Applications

- Complete your premise wiring application with a clean, sleek-looking Decora-style appearance

Package Includes

- N042D-100V-WH Center Plate Insert, Decora Style - Vertical, Blank
- (2) Mounting screws

Features

High-Impact Decora-Style Face Plate Designed to Blend In Seamlessly
This blank center insert is ideal for temporary or permanent cover of any unused in-wall gang ports or outlets. It keeps the ports protected from debris or unauthorized cable connections until a permanent solution is desired. The Decora-style polycarbonate insert plate is white and blends elegantly into any home or office décor for a sleek, professional installation. Mounting screws are included for flush mounting the insert with a Tripp Lite or other compatible Decora-style wall plate (sold separately).
